

Serve like Jedi to Celebrate May the Fourth!

### Lesson Plan

1. As students come into the class, play some Star Wars music to set the mood. I recommend Yoda's theme because of the connections to the Jedi but go with what you like.
2. Once class has started, begin going through the PowerPoint. As you discuss each slide, prompt your students to provide ways they can serve their community in a similar fashion. As students provide answers, write them on the board. If students are struggling, you could always have them Think-Pair-Share if you think that would help.
  - a. For example, when you discuss how the Jedi view the environment as part of the Force. Prompt them to think of ways that they can protect and preserve their environment.
3. Once you have gone through the PowerPoint, let students choose their "I Served Like a Jedi" sign from the ones provided at Star Wars in the Classroom.
4. (Optional Activity) Have a Star Wars Trivia Contest.
  - a. You can get an easy set of Star Wars Trivia Questions from the "Star Wars Reads Day" packet.
  - b. Here is the address I got it from: <http://www.starwars.com/news/star-wars-reads-day-strikes-back-october-11-2014>
5. (Optional Activity) Have students create Post-It art of Stormtrooper Helmets. (See attached directions.)
