## Clone Wars: Rookies

“The best confidence builder is experience.”

### The Clones

Echo - always reads the manual

Five - ends up with a blue handprint on his armor

Heavy

Rex & Cody - the clone generals who are visiting the outposts for inspections

1. According to the introduction, new clones are sent to outposts before they have completed their training. What character trait do all these new clones share?
2. What characteristic of the droids leads Rex to shoot the “clone”?
3. Once Rex and Cody find the clones, they break back into their base. What characteristic do the clones demonstrate with their plan?
4. When the detonator/remote doesn't work, Heavy makes a decision. What character trait is revealed by Heavy's decision?
5. What character trait of the droids leads to the droids' defeat?
